JOURNEYS

Where We're Headed....

Back to the State Fair

The MPO staff will be heading back to the State Fair this year for more surveys and fun! We are looking forward to finding out how our awareness campaigns have done over this past year.

We will probably also be doing another snapchat filter, and possibly putting together some kind of selfie station.

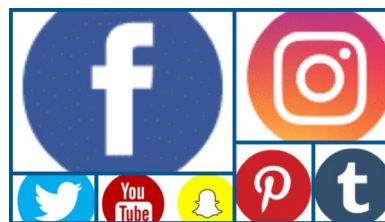

July 17 KCAR Presentation

The MPO will be doing a presentation called to the Kent County Association of Realtors. This will introduce the MPO to Realtors and Brokers from all over the county. This is a great industry to work with regarding transportation due to the fact that they are on every road in the county showing houses.
